

SDG Global Festival of Action

Bonn, Germany

Day 1. Thursday, 02 May.

Time	Session	Information
08:00 - 09:00	Registration	
09:00 - 10:30	Opening High-Level Plenary Session	Room: Room 1
10:30 - 11:00	Coffee break	
11:00 - 12:30	Civil Society Shadow Reporting: Meaningful Participation in the Voluntary National Review Process (Part I)	Stream: Room 1 Room: Room 1 <p>Civil society organizations play a key role as independent watchdogs in holding governments and international organizations accountable for their contributions to the implementation of the 2030 Agenda. This is particularly relevant with regard to the implementation of SDG 10, to reduce inequalities. The interactive workshop aims to share experiences of CSO shadow reports and engage participants in a discussion on national SDG implementation, particularly strategies to address inequalities and the implementation and monitoring of SDG 10.</p> <p><meta charset="utf-8" /></p></p> STREAM: INCLUSION

11:00 - 12:30	Germany and the 2030 Agenda: Overcoming Challenges of Implementation	<p>Stream: Room 2 Room: Room 2</p> <p><meta charset="utf-8" />The international community is not on track for reaching the SDGs until 2030. The high-level panel discussion will give significant insights into the challenges of implementing the 2030 Agenda worldwide, in developing countries and how Germany can contribute. National and international perspectives will be exchanged with the audience. The discussion aims to provide an overview about ongoing and future activities and encourages participants of the festival to take action.</p> <p>STREAM: CONNECTIONS</p>
11:00 - 12:30	Faith-based Engagement in the SDGs	<p>Stream: Room 3 Room: Room 3</p> <p>STREAM: INCLUSION</p>
11:00 - 12:30	Soccer Before Marriage: Using Positive Deviance Stories for Social Change	<p>Stream: Room 4 Room: Room 4</p> <p>Learn how to use models of positive deviance to develop tools for creating inspirational, shareable content to promote SDGs. We will highlight how the community influencers, especially men, advance Bangladesh's Ending Child Marriage Campaign to challenge harmful social norms.</p> <p>Session host: PCI Media UNICEF Bangladesh</p> <p>STREAM: MOBILIZATION</p>
11:00 - 12:30	Responsible Leaders Network	<p>Stream: Room 6 Room: Room 6</p>
11:00 - 12:30	Sound Impact: How music can lead in the delivery of the SDGs	<p>Stream: Room 5 Room: Room 5</p> <p>STREAM: CREATIVES</p>

12:30 - 13:30	Lunch break	
13:30 - 15:00	Youth Movement 4 the SDGs	<p>Stream: Room 6 Room: Room 6</p> <p>How do we engage over 1.8 Billion Young people to contribute to the SDGs? This is the fundamental question we will be addressing through insights from our expert panellists who are currently working for the SDGs. The session will be covering best case practices from key organizations on how they engage with young people to take action. In addition, the audience will take part in an interactive activity with the panellists by simulating one of the best case practices presented.</p>
13:30 - 15:00	National Government Experience Of The Voluntary National Review Process (PART II)	<p>Stream: Room 1 Room: Room 1 STREAM: INCLUSION</p>

13:30 - 15:00	Citizen Engagement and Perceptions Data: MYWorld as a Tool for Mobilization	<p>Stream: Room 3 Room: Room 3 STREAM: MOBILIZATION</p>

Stream: Room 4

Room: Room 4

The A B C on skills for SDGs-preneurship concept is a catalyst and design on 'How to Turn the Global Goals into Local Sustainable Businesses' through practical skills for social, economic and environmental transformation. These campaigns are meant to equip the SDGs drivers and volunteers with skills to empower the world citizens towards achieving the 2030 Agenda.

This session will be presented through practical graphical and diagrammatic training session on skills to drive the SDGs and turn the global goals into sustainable local businesses. Various key themes focusing around relevant areas to build skills for SDGs such as; innovations in digital technologies, innovations in agro-ecology and greenovations, innovations in affordable housing, gender-responsive enterprise innovations will be presented by our team and partners during this short but well articulated session.

The aim of this session is to inform, equip and empower SDG actors with relevant livelihood skills to empower citizens to overcome poverty, hunger and social injustices within their own contexts.

Session host:
Hetaved Skills Academy and Networks
International

15:30 - 17:00	Super Year 2020: Connecting Climate Change, Advocacy and SDG Action	Stream: Room 3 Room: Room 3 2020 is a key year for the SDGs, for climate change and for the environment, with critical global negotiations and milestones taking place. This session looks at advocacy opportunities in 2019 and 2020 and how we connect up these different agendas to drive the change we want. STREAM: CONNECTIONS

15:30 - 17:00	How to Integrate SDGs into Innovation and Startups?	<p>Stream: Room 4 Room: Room 4</p> <p>Millions of people in this world want to make a difference. But they are stuck in 9-to-5 jobs that focus on one thing: profit.</p> <p>How do we align profit and the SDGs? How do we build a convincing argument that resonates with large corporates, SMEs and startups? How can we align the SDGs with business success and thus push business towards a positive path, not just "environmental damage control"? Using an open innovation framework, let's look at how to convert large corporates, SMEs and startups to engaging the SDGs.</p> <p>The main objective of this session is to learn how to equate SDGs with business success and innovation. To build pragmatic arguments towards a business world that is helping us achieve a better world. To leverage the diversity of the participants to align profit and purpose.</p> <p>Session host: Mind the Bridge Foundation</p> <p>STREAM: CONNECTIONS</p>
15:30 - 17:00	Harnessing Artistic Expression to Spur SDG Action and Awareness through Creativity, Empowering and Connecting people	<p>Stream: Room 5 Room: Room 5</p> <p>Youth4planet engages global youth in cooperative storytelling visualizing the SDGs with mobile devices. Building a People's Movement for Sustainable Development

Stream: Room 1

Room: Room 1

2019 and 2020 represent the first major review of the 2030 Agenda. Join us for an interactive session to hear from great examples like World Clean Up Day; explore the latest thinking with civil society partners around the world; and share your proposals for joint campaigning!

STREAMS: CAMPAIGNING

13:30 - 15:00

Smart Youth Advocacy: The Case of MY World Mexico

Stream: Room 2

Room: Room 2

The session is based on MY World Mexico's methodology on youth advocacy workshops led in the country's 32 states in 2018 which had the participation of more than 1,000 young people that have impacted the lives of almost a million people. MY World Mexico looks forward to showcasing and replicate this methodology which allows young people to start networks that contribute to national dialogues and policy on SDGs.

STREAM: CONNECTIONS

13:30 - 15:00	How to Sustain a Global Population of 8 Billion?	<p>Stream: Room 3 Room: Room 3</p> <p>What will the session cover? Why is it important? What will the objectives and outcomes be? The demand for basic human needs such as housing, food, and water shifts as our global population increases and becomes more urban. Preparing for future human needs is more challenging than ever as our global population is expected to rise to 8 billion by 2030. How can big data improve long term planning? This session will introduce an overview of Project 8, a global data platform for sustainable development data, and discuss how public-private partnerships are paving the way to achieving the Sustainable Development Goals. Participants in the “How to Sustain a Global Population of 8 Billion” session will actively engage with data analytics and visualizations pertaining to the Sustainable Development Goals.</p> <p>STREAM: VISUALISATION</p>
13:30 - 15:00	Cultural Action to Achieve the SDGs: Cities Engage!	<p>Stream: Room 5 Room: Room 5</p> <p>STREAM: CONNECTIONS</p>
15:00 - 15:30	Coffee break	
15:30 - 17:00	Adaptive Intelligence of the Barefoot Solar Mamas	<p>Stream: Room 5 Room: Room 5</p> <p>STREAM: MOBILIZATION</p> <p>Hogan Lovells and Barefoot College believe the illiterate of the 21st century are those who cannot unlearn and relearn. They believe in the adaptive intelligence of rural women to leverage technology for the future. Join us to unlearn, learn, and relearn what you can do with the solar mamas.</p>

15:30 - 17:00	The Role of Parliamentarians in SDG Monitoring	Stream: Room 1 Room: Room 1 STREAM: INCLUSION
15:30 - 17:00	Climate action and Life Below Water: Storytelling from Small Islands	Stream: Room 2 Room: Room 2 STREAM: STORYTELLING Storytelling can personalise the SDGs and stories from small island states (SIDS) on the frontline of climate change and ocean degradation are key to SDGs 13 14. Learn from case studies in the Seychelles, Belize and UNFCCC and share your experiences.
15:30 - 17:00	Squaring up for Circular Economy	Stream: Room 3 Room: Room 3 STREAM: MOBILISATION This interactive workshop will discuss how all members of society (citizens, companies and governments) can contribute to achieve the prosperous and sustainable economy. We will co-create ideas to make a real change happen and adopt them as solution designs to square up for a circular economy.
15:30 - 17:00	Co-Producing a City Transformation	Stream: Room 4 Room: Room 4 STREAM: CONNECTIONS Dresden is the largest city in the FUTURE CITY competition of the BMBF: A co-production-process for citizens and administration that lead to 10 local transformation-experiments, mainly created and implemented by the citizens. How did it work? How to transfer to other cities?
17:30 - 19:00	Rhine in Flames	

Day 3. Saturday, 04 May.

Time	Session	Information
